**INSTALLATION INSTRUCTIONS:**

- Reference the dimensions on this sheet to properly locate the wall brackets on the mounting surface.
- Wall brackets must have mounting screws in both end slots.
- If it is not possible to mount to the wall framing members, use the supplied toggle bolts into minimum 1/2-inch thick drywall. Toggle bolt instructions are included in the fastener packet.
- Hold mirror assembly close to wall, connect A/V and power, and verify functionality.
- Hang mirror assembly. Ensure the brackets are interlocked and mirror is secure.
