**Vanishing Technology**

Elegance in an instant. Vanishing glass is designed to provide excellent mirror reflectivity while making it possible for a television to completely disappear when turned off.

**Customization**

Unique design configuration options include display size, mirror size, framing, technology upgrades and more.

**Ultra High Definition**

4K UHD picture clarity—four times the resolution of regular HD—amazingly sharp details immerse you in the moment.*

* 4K UHD technology on 49", 55" and 65" models.
# 49, 55, and 65 Inch Connections

- Sèura IR Remote Control

---

* 4K UHD technology available on 49", 55", and 65" models.

** Standard mirror sizes only.

† Standard mirror sizes in recessed (in-wall) mount configurations require a frame to conceal the wall opening. Custom mirror sizes larger than the wall opening size do not require a frame.

Additional cost for customizations.
